

# Lag Ba'Omer Celebration

Elementary students and their families celebrated Lag Ba'Omer last Sunday with a variety of activities led by the Mekor Chaim ambassadors, Elnatan and Binyamin. Children enjoyed team games and a blindfolded *marshmallow on a string* contest. Parents prepared charades related to the life story of Rabbi Shimon Bar Yochai, and students guessed at the meaning of each presentation. A bonfire roared throughout the event and gave plenty of heat for roasting potatoes, onions and marshmallows.
